

P3X PICO PROJECTOR

The AAXA P3X is a pico projector that lets users spontaneously share photos, videos, or other digital media with friends and colleagues. With its powerful ARM based Media Player and built-in speakers, the P3X is capable of playing 720P media files, digital pictures, and MP3 music directly without the need to connect another device. Storage capabilities include a MicroSD Card slot and USB Port, meaning your digital message can be loaded directly onto the P3X projector.

Portable Entertainment in Your Hands!

Projects Images up to 100 Inches using DLP projection technology.

2 Hour Rechargeable Li-Ion Batteries lets you go completely cordless.

Use the Onboard Media Player to play files directly from both USB or Micro-SD Memory.
