

CONNECT TO THE TV IN THIS ROOM WIRELESSLY

1

TURN ON THE TV

Find and select the HDMI input that shows the AIRTAME start screen.

2

CONNECT TO WIFI

Connect your device to the same WiFi that AIRTAME displays at the bottom of the TV.

3

INSTALL AIRTAME

Go to airtame.com/start to download and install the AIRTAME application.

4

START STREAMING

Open the AIRTAME application and choose the TV in this room.
