Connect an External Hard Drive to Your MacBook

The Kanex USB-C > USB Cable lets you connect to an external hard drive to access and transfer data or for charging your USB-C ready computer via a USB wall charger, car charger and even a power pack. Charge your USB-C MacBook or computer at home or on the go.

Compatible with USB 3.0 and USB 2.0 Devices

The USB-C > USB Cable lets you connect to your USB 3.0 hard-drives and other devices. With this same cable you can also connect to older peripherals that support USB 2.0.

Charge With What You Have

If you already own a USB wall charger, car charger or power pack you can pair it up with the USB-C > USB Cable to charge your new MacBook or compatible computer on the go or at home.
