## Connect Any Micro-B Device to a new MacBook

The Kanex USB-C > Micro-B Cable lets you connect to an external hard drive or a hub. Transfer data from your new MacBook to an external hard drive or expand your connectivity via a Micro-B ready hub. Safely and conveniently share data with the new USB-C ready devices to older and current Micro-B peripherals.

## Connect With What You Have

If you already own a Micro-B equipped smartphone, hard drive or other peripheral you can pair it up with the USB-C > Micro-B Cable to sync and charge to the new MacBook or USB-C ready computer.

## Charge and Sync

The USB-C > Micro-B Cable lets you charge and sync your Android smartphone to a new MacBook or USB-C equipped computer.
