

Charge and Sync Cables with Lightning Connector in Colors

- Charge and sync your iPhone, iPad or iPod with a Lightning connector
- Ultra-thin Lightning connector to fit any case
- Choice of 3 colors to mix and match
- Apple MFi certified

Actual Size

The Lightning to USB Cable lets you connect your iPhone, iPad, or iPod to any USB port to easily charge and sync. Plug the USB end into your computer or USB power adapter to stay connected at home, at work, or on the road.

Ultra-Thin Connector. Case Compatible.

Whether your device's case is bulky or slim, the ultra-thin Lightning connector means you never have to remove your case before charging. The connector's housing is 20% thinner than the standard lightning connector.

20% Thinner Housing

Vibrant Colors

The Lightning to USB Cable comes in a variety of vibrant colors to suit your personal style. Match it with your device's protective case, your bag, or your outfit.

Apple MFi Certified

Kanex Lightning cables are Apple MFi Certified, which means they're made specifically to fit with your iPhone, iPad and iPod so you can expect quality performance and reliability.
