

Car Charger with Lightning Connector

- Apple certified
- 2.4 amps for fastest charging
- 3FT (1M) cable length
- Plugs into any car power outlet
- LED indicator glows white when inserted into the cigarette lighter.
- Lightweight and convenient to use.

Portable yet Powerful

Charge your Lightning-enabled iPhone, iPad or iPod on the road with the Kanex Car Charger. Get unlimited talk and play time while on the go. The stylish yet durable design was built for everyday use and portability. 2.4 amps of power lets you charge at the fastest possible speed.

2.4 Amps

Fastest

Practical and Convenient for the Long Haul

Using the navigation feature on your iPhone can quickly drain the battery. At 3 feet long, the cable can reach wherever your phone is mounted. Just plug into your car's 12-volt outlet. Connect to your mobile device to charge while navigating and reach your destination with a full battery.

MFi Certified - Charge the new Generation of iOS

The Kanex Car Charger is Apple certified, so it quickly and safely charges your Lightning-enabled iPhone 5, 5S, 5C, iPod touch (5th generation), iPad mini, iPad with Retina Display and iPad Air.
