

3D Protection Case for iPad mini 4, 3, 2, iPad mini (Blue)

THZ59502GL

Overview

Wrap your iPad mini 4 in rugged, military grade drop protection. Engineered for lightweight durability, this case features a flexible tray with wrap-around bezel and reinforced corners to ward off bumps and dings. Precision cutouts give full access to controls, ports and cameras. The soft textured interior provides a non-slip base for changing your viewing angle. Unique, flexible tray design fits iPad mini 4, 3, 2, and iPad mini. Convenient sleep/wake feature reduces downtime and saves battery for iPad mini 3, 2, and iPad mini models.

Features

- Passes rigorous MIL-STD 810G testing to ensure the case protects your iPad mini from drops up to 4 ft.
- Textured, non-slip interior lets you position your iPad mini in an infinite range of angles for watching videos or interacting with your screen
- Precision cutouts ensure easy access to camera, controls and ports. Listen to music, connect your charger, or take a quick photo without removing the case
