

## Desk Stand for Tablet / Laptop

ACX002USZ

### Overview

The Targus Desk Stand for tablets and laptops is perfect for use with a docking station, especially in a shared hot-desking environment. The stand elevates the device for better viewing, reduced desk clutter and better cable management. The durable, polycarbonate stand collapses down compact for better portability.

### Features

- Holds and elevates 7" tablets and up to 14" laptops. Decreases desk clutter, helps with cable management. Perfect for shared workspaces in a hot-desking environment.
- Friction hinge adjusts to multiple viewing angles. Non-skid pads ensure everything stays put.

### Specifications

Exterior Dimensions	11.25" x 7.75" x 5.50"
