

17" Drifter Plus with TSA Backpack

TSB847

Overview

The Targus Drifter TSA Plus Backpack is smart, comfortable, big on space and built to TSA specifications so you don't have to remove anything at airport checkpoints. Designed for laptops up to 17" and featuring 4 main zippered compartment of varying size, the Drifter TSA Plus has an intuitive place for everything. Aside from the dedicated padded laptop compartment, there is a water bottle holder, a soft, lined zippered glasses compartment, along with obvious nooks for pens, pencils, and business cards. And when it's loaded full of your stuff, the padded straps and back aeration pads provide a comfortable, well balanced fit.

Features

- 4 main zippered compartments of graduated size. Dedicated padded compartment fits laptops up to 17".
- TSA compliant / nothing to remove at airport checkpoints
- Comfortable, adjustable padded straps
- Cushioned aeration pads keep you comfortably cool
