

16" Drifter Backpack BLK/Camo

TSB834

Overview

The Targus TANC Laptop Backpack features a padded laptop compartment that keeps the device secure and separate from other items carried in the case. The thick padding on the back panel includes a large hidden zippered compartment and is strategically placed to provide lumbar support. The heavily padded shoulder straps provide comfort for travel and include an elastic loop specifically designed to hold sunglasses. The main front compartment includes pockets for business cards, a mesh accessory pocket and key clip. The interior divider provides a safe place to store documents. The backpack features a weather-resistant bottom, thick industrial zipper pulls and a sturdy molded plastic handle supported by metal grommets and cabling.
