Part #: MEMTC1

SRP: \$69.99

The Crossbody Tech Messenger is the well organized solution for all your essentials when you are on the go. This convenient lightweight bag provides secure storage for your personal items, wallet, camera, chargers & cords, keys and cosmetics. A padded fur-lined pocket will protect your iPad or other 10" tablet.

The integrated workstation features pockets for your phone, flash drives, memory cards, pens and business cards. Two zippered pockets keep your valuables safe and secure. The durable Vegan leather exterior with contrast stitching and the plaid cotton-twill lining provides classic styling. The adjustable shoulder strap lets you wear the case just the way you want it, regardless of your height.

The Crossbody Tech Messenger is the perfect bag for travel or your busy everyday errands.
