12U 19in Desktop Open Frame 2 Post Rack

StarTech ID: RK12OD

The RK12OD 12U 19in Desktop Open Frame 2 Post Rack provides the perfect mounting option for smaller Audio/Video and IT equipment where space is limited and a full sized cabinet is not required.

The 12U rack features a compact and lightweight free-standing design that is suitable for installation on or around your desk giving you easy access to the mounted equipment in your workspace. This lightweight 2 post rack is engineered to meet EIA rack mount standards and includes a pack of 20 M5 screws and Cage Nuts, allowing you to mount up to five devices into the rack right away.

Backed by a StarTech.com lifetime warranty.

Applications

- Mount patch panels, network switches, and routers in small or home office networks or IT offices to provide easy access to equipment
- Mount KVMs and rack-mount computer/server systems neatly on or beside your desk
- Mount AV equipment such as broadcast/distribution devices, switches or extenders

Features

- Includes 20 M5 Screws and Cage Nuts for mounting devices
- Easy to assemble
- Lightweight design for easy relocation
- Meets EIA standards
