

Compact HDMI to VGA Adapter Converter – 1920x1200/1080p

StarTech ID: HD2VGAMICRO

The HD2VGAMICRO HDMI to VGA converter lets you connect an HDMI output from your Ultrabook® or laptop computer to a VGA monitor or projector.

With no external power adapter required, and a small form factor design, this portable HDMI to VGA adapter is a great accessory to have on-hand in your laptop carrying case. Plus, this easy-to-use converter supports plug-and-play installation, which speeds up installation time eliminates hassle.

The converter delivers maximum video quality, with support for resolutions up to 1920x1200/1080p -- a convenient solution for boosting productivity by extending your computer's desktop onto to a secondary monitor.

The HD2VGAMICRO is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- In an office boardroom connect HDMI-enabled devices such as your laptop, or Ultrabook computer to a VGA projector or large screen display
- Increase your productivity by extending your computer's desktop onto to a secondary monitor, doubling available workspace

Features

- No power adapter required
- Small form factor
- Support for resolutions up to 1920x1200/1080p
