

2 Port USB A Female Low Profile Slot Plate Adapter

StarTech ID: USBPLATELP

The USBPLATELP 2 Port Low Profile USB Bracket converts the USB pins on a USB 2.0 motherboard header to 2 standard USB A ports.

An ideal solution for small form factor computer cases, the slot plate can be mounted on the rear panel of your low profile or thin client computer case - adding two USB female ports for simple connection to USB peripheral devices.

The USB motherboard adapter cable is backed by StarTech.com's lifetime warranty.

Applications

- Add two USB 2.0 female ports to the back of a small form factor computer case

Features

- 2x USB 'A' female ports
- 2x IDC-5 female connectors
- Supports 4 or 5 pin motherboard connections
- Supports high-speed USB data transfer rates of up to 480 Mbps
- Offers 11.25" in cable length
