

## 8U Open Frame Wall Mount Equipment Rack - Adjustable Depth

StarTech ID: RK812WALLOA

The RK812WALLOA 8U Open Frame Wall Mount Equipment Rack with Adjustable Depth is a high-quality, sturdy relay rack solution that is easy to assemble and install into any environment.

The open rack features an adjustable depth ranging from 12-20 inches, in order to accommodate larger data, network and telecommunications devices. The greater than average depth of the rack also allows for mounting of shelves and other accessories. The wall mounts are positioned 16in apart (center to center), making it suitable for mounting on virtually any wall surface, based on North American wall frame stud spacing standards.

This 8U rack can be mounted to the wall in a server room, office, or above a doorway, expanding your workspace and keeping your equipment easily accessible.

Backed by a StarTech.com lifetime warranty.

### Applications

- Perfect for installing network switches out of the way and high up on a wall in a branch office, warehouse, or superstore location
- Mount Audio/Video broadcast or distribution components
- Ideal for small and medium businesses requiring small rack solutions dispersed throughout the organization

## Features

- Adjustable rails 12-20" depth options
- Wall mount holes are 16" from center to center for mounting to any standard wooden studs (easily mounts to concrete or steel as well)
- Package includes necessary hardware for mounting the components
- Flat packaging for easy low cost transportation, yet quick assembly
- Low cost rugged design for simple implementation
