Product **Description**

The ViewSonic LightStream™ PJD6352 networkable projector features 3,500 lumens, native XGA 1024x768 resolution, and an intuitive, user-friendly design. Exclusive SuperColor™ technology offers a wide color gamut for beautiful image production in nearly any environment, while SonicExpert™, ViewSonic's proprietary sound enhancement technology, powers a 10W speaker to deliver incredibly clear and audible sound. PortAll, a neatly designed and enclosed HDMI/MHL connection compartment, supports streaming media from wireless HDMI dongles or MHL connectors, while a cable management hood connects onto the back of the projector and eliminates unsightly cable clutter. With HV keystone, corner adjustment, 1.3x optical zoom, and easy network management, the PJD6352 provides flexible setup. Designed with smarter features and extensive connectivity, the networkable PJD6352 is ideal for use in education and corporate environments.
