EASY SERVICEABILITY

The tool-less chassis offers easy component access for quick servicing and maintenance

**INTEGRATED SECURITY
FEATURES**

Combination of best-in-class hardware and software features, including Computrace, self-encrypting hard drives and TPM

The Lenovo® ThinkCentre® M93z All-in-One (AIO) has been designed to combine user comfort with technological brilliance. The sleek design lets the AIO fit snugly in any working environment. With the latest Intel® Core™ processors, up to 1GB AMD® discrete graphics, Hybrid HDD and superfast USB 3.0 ports, performance has never been higher. Excellent manageability features with Intel® vPro™ and a host of green certifications make the M93z a true all-in-one.

¹ The additional monitor shown in the image is not part of the standard product
¹ Optional
