

THE LENOVO® THINKCENTRE® E73 DESKTOP
ONE MACHINE. MULTIPLE ROLES.

4TH GENERATION
INTEL® PROCESSORS

SUPERIOR PERFORMANCE

10% faster processing
with 4th generation
Intel® processors

INCREASED SECURITY

Individual USB port disable
feature with BIOS and HDD
password protection

FASTER STORAGE

Deploy Solid State
Hybrid Drives (SSHD) for
up to 10% faster performance

WORKSPACE INTEGRATION

Mini Tower and Small Form
Factor (SFF) allow the E73 to fit
comfortably in any environment

Introducing the Lenovo® ThinkCentre® E73, designed to balance performance and security in an elegant package. You can individually enable or disable USB port to prevent unauthorized data access and physically lock your mouse and keyboard to protect your hardware. This great security is complemented by great performance, via 4th generation Intel® Core™ i processors and the industry-first 3.5" SSHD. For the eco-conscious, the E73 is fully compliant with EPEAT® Gold and ENERGY STAR 5.2. Without a doubt, the Lenovo® ThinkCentre® E73 is a great investment for the ever-changing needs of growing businesses.

THINKCENTRE® E73

THE LENOVO® THINKCENTRE® E73 DESKTOP

INCREASED PRODUCTIVITY

- 10% faster performance with 4th generation Intel® Core™ i processors
- Faster data transfer with native USB 3.0, Solid State Hybrid Drives (SSHD) and SSD
- 2TB HDD for enhanced storage

ENVIRONMENTALLY CONSCIOUS

- Effectively balance power management and performance with the latest Desktop Power Manager
- Comes with Energy Star 5.2 and EPEAT® Gold certification

SECURING DATA AND HARDWARE

- Enable or disable individual USB port for enhanced data security
- Password protection for your BIOS and HDD for system protection
- Cable lock option for the mouse and keyboard for hardware protection

⁴ The term "10/100/1000" or "Gigabit" Ethernet indicates compliance with IEEE standard 802.3ab for Gigabit Ethernet and does not connote actual operating speed of 1Gbps. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required

⁶ Optional

⁷ With top handle and rubber feet

ACCESSORIES FOR THINKCENTRE® E73 DESKTOP

Lenovo® Ultraslim Wireless Keyboard and Mouse Combo

ThinkCentre® Extend Arm

Lenovo® USB Soundbar

Lenovo® Wireless Touchpad

SERVICE OFFERINGS

Lenovo® offers a comprehensive portfolio of services to support and protect your ThinkCentre® investment. Focus on your customers and business, not your IT.

Keep Your Drive Services

Retains your hard drive or solid state drive and data in the unlikely event of drive failure.

Imaging

Provides a customized image based on the needs of your organization, maximizing your hardware investment.

Asset Tagging

Forms the foundation for a strong management program by providing information on your corporate assets. It reduces the risk of loss or theft of the valuable technology.

Asset Recovery Service

Provides secure, documented disposition of your IT assets & data. It helps to mitigate the environmental and data security risks associated with end of life asset disposal.

Priority Technical Support⁸

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and rapid response and resolution.

Warranty Upgrades – Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service the next business day.

Warranty Extensions (1-to-5 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
