**Perfect prints**  
Enhance printed materials with high-quality graphics

**More choice**  
Print on a wide range of paper, including high impact colour on glossy media

# COMPLETE BUSINESS SOLUTIONS

ENGINEERED FOR BUSINESS

Printers · Scanners · Projectors

## Epson business projectors

Project a brighter, clearer image on the big screen with Epson's award-winning range of multimedia projectors. Discover why we've been the number 1 business choice for 10 years\*.

- Perfect solutions from ultra-mobile and portable to installation models
- Get your message across with a big screen up to 300 inches
- Superb images whatever you present with Epson's 3LCD technology
- Simple control with a wide range of presenting tools
- Networked, wireless and PC-free presenting
- Easy set-up for a perfect image every time
- Comprehensive connectivity for any business situation
- Reliable, durable and secure

## Epson business scanners

From scanning on the move to major archiving jobs, there's an Epson scanner to make light work of your scanning needs. Capture every detail of documents and publications with Epson's proprietary scanning technologies.

- Make paper archives a thing of the past with digital storage
- Scan anything from business cards to A3 documents
- Reliable, high-resolution scanning
- Reproduce double-sided documents quickly and easily with the automatic document feeder
- Programmable shortcut buttons to match your scanning needs
- Capture, convert, store and distribute scanned jobs to any Cloud and Document Management systems with the Document Capture Pro solution
- Sleek design for easy integration into any office
- Networked models for easy sharing between multiple users

## A choice of ink cartridge sizes to match your printing needs

Epson uses individual ink cartridges across its inkjet printer range.

This keeps costs down as you only replace the colour used. We offer a choice of cartridge sizes for normal or high print volumes. So you get low-cost printing whatever your level of output.

Normal volume, low cost per cartridge

- T7031 ~1,200 black pages\*<sup>8</sup>
- T7032
- T7033 ~800 colour pages\*<sup>8</sup>
- T7034

High volume, low cost per page

- T7021 ~2,400 black pages\*<sup>8</sup>
- T7022
- T7023 ~2,000 colour pages\*<sup>8</sup>
- T7024

XXL inks are also available for high volume printing, for more information please visit [www.epson.eu/pageyield](http://www.epson.eu/pageyield)

WorkForce Pro Series

# BUSINESS PRINTING IS CHANGING

# EPSON®

EXCEED YOUR VISION

# NETWORKED FOR SMALL BUSINESSES

Are you ready for business quality printers and all-in-ones that are faster than lasers but more economical and environmentally friendly? We're changing the world of small business printing with the new Epson WorkForce Pro series.

## Speed

**Faster than competitive colour lasers<sup>1</sup>**

Epson WorkForce Pro inkjets are faster than the top 10 best-selling colour lasers for print jobs up to four pages<sup>1</sup>.

They deliver business-quality results at very high speed, especially on double-sided prints.

## Economical

**50%**

**Up to 50% lower cost per page than competitive colour lasers<sup>2</sup>**

Epson WorkForce Pro inkjets offer a significantly lower cost per page than competitive colour lasers<sup>2</sup>.

They use high-yield individual inks instead of costly laser supplies, which means they are not only great value, but also much cleaner and easier to maintain.

## Ecological

**80%**

**80% lower energy consumption than competitive colour lasers<sup>3</sup>**

Epson WorkForce Pro inkjets also offer a massive reduction in energy consumption compared to competitive colour lasers<sup>3</sup>.

This means that as well as superb quality and flexibility, you can make cost and environmental savings.

# COMPLETE SMALL BUSINESS SOLUTIONS

Enjoy no-compromise double-sided copying, printing, scanning and even faxing with the A4 Epson WorkForce Pro series. Now you can have it all – speed, flexibility and ease of use with a very low cost per page and high energy efficiency.

Their sleek black looks, standard Wi-Fi and sturdy design fits easily into any modern office. Automatic double-sided printing comes as standard, along with high paper capacity and a rear paper tray that

gives everyone in your workgroup simple access to a wider choice of media.

Why settle for a laser when you can get a lot more for a lot less with the Epson WorkForce Pro series?

## Epson WorkForce Pro WP-4545 DTWF
