

Epson LQ-300+II Colour

DATASHEET / BROCHURE

If you need reliable, low volume A4 printing but space is at a premium, the 24-pin Epson LQ-300+II is the ideal answer.

Why the Epson LQ-300+II?

The Epson LQ-300+II brings fast, high quality printing to your front or back office. Compact and capable, it prints up to 300cps and up to 4 part forms as standard. It's perfect if you're running a small business that needs high quality accounts plus PoS support and where duties are light but you need a fast, effective printer you can count on.

Works hard

It might be compact, but this 24-pin, 80-column A4 printer gives a great performance. It's also very reliable and cost-effective to run.

Easy to use

The Epson LQ-300+II printer will fit right into your business. It prints up to 4 part forms and has 8 built-in barcode fonts to make your life even easier.

Paper handling

Choose from standard or optional paper handling from top, rear and bottom and print on cut sheet and continuous media.
