

# Expression Home XP-322

DATASHEET / BROCHURE

Save money, time and space with this Epson small-in-one, featuring individual inks, mobile printing and LCD screen.

The Expression Home XP-322 is part of Epson's smallest ever range of small-in-one home inkjets. This printer, scanner and copier offers cost-effective printing through the use of inks that can be replaced individually. An LCD colour screen makes using the XP-322 clear and easy, while Wi-Fi compatibility and mobile printing allow printing from anywhere<sup>1</sup>.

## Efficient & affordable

Epson's Claria Home Ink is ideal for affordable and reliable printing, producing crisp, clear text documents and glossy, lab-quality photos. The use of individual ink cartridges mean you only have to replace the colour used, saving you money.

## Easy set-up

The automatic Wi-Fi set-up<sup>2</sup> makes configuring laptops and computers to print and scan wirelessly extremely easy. You don't need to know your network settings as the XP-322 automatically finds the relevant connection settings in order to configure itself. For added versatility, Wi-Fi Direct<sup>®</sup> allows easy printing from compatible wireless devices without the need for a network.

## Mobile printing

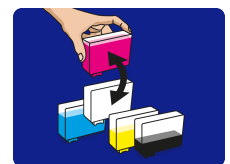

The XP-322 comes with Epson Connect<sup>1</sup> which consists of Epson iPrint<sup>1</sup> – for easy wireless printing from smartphones and tablets; Epson Creative Print<sup>1</sup> – print photos directly from Facebook and Epson Email print<sup>1</sup> – print from anywhere in the world by emailing photos and documents directly to the printer. AirPrint<sup>3</sup> and Google Cloud Print are also supported.

## PC-free printing

This all-in-one's 3.7cm colour LCD screen and accompanying memory card slot offers easy-to-use, PC-free photo printing with helpful menu prompts.

## KEY FEATURES

- **Small-in-one**  
Save space, save money, save time
