

HP Pavilion 27c 27-in Curved Display

Embrace the Curve

The HP Pavilion 27c Curved Display gives you a more immersive viewing experience with an enhanced field of vision, premium DTS audio, wider viewing angles, and convenient connectivity to smartphones and tablets.

Immersive curved display

- Stimulate your senses as you bring your movies, games, and photos to life with the immersive panoramic effect of the wide angle, 1920x1080 Full HD,⁽¹⁾ 27-inch diagonal curved display.
- Experience an enhanced field of view from practically any position with consistent color and image clarity maintained across the ultra-wide 178° horizontal and vertical viewing angles.

Serious sound

- Feel the pulsations of the deepest bass and highest trebles funneled through dual 4-watt front-firing speakers, or the headphone jack, delivering rich audio sensations with DTS Audio technology.
- Adjusting the screen or sound is easy, the side-accessible headphone jack and audio controls are within easy reach.

Connect all your content

- Share your pictures, videos and more from your tablet, notebook or smart phone through HDMI and VGA video connectors or MHL (Mobile High Definition Link), that charges while you watch.⁽⁹⁾
- The display is suspended above a distinctly unique open-wedge designed stand, providing convenient access to rear ports, with your tablet or phone stored underneath.

Extreme detail

- Amazing imagery is delivered with a 3000:1 Contrast Ratio for deeper blacks, brighter whites, and crisper colors.
- Videos and games come to life with the smooth 8 millisecond gray-to-gray response time.
- The reflectiveness typical with glossy screen surfaces is appreciably reduced with the Low Haze screen enhancement, without losing clarity and contrast of screen imagery.

Be responsible

- Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® and EPEAT® Gold registered. The display also includes mercury-free display backlights, a low halogen design, and arsenic-free display glass.⁽⁵⁾⁽⁶⁾⁽⁷⁾

Monitor Specifications

Panel Type	• 27-inch diagonal VA Curved
Viewable image area	• 27-inch widescreen diagonally measured
Viewing angle	• Horizontal: 178° • Vertical: 178°
Anti-Glare Panel	• Low Haze
Native Resolution (recommended)	• 1920 x 1080 @ 60 Hz
Contrast Ratio	• Static: 3,000:1 • Dynamic: 10,000,000:1 ⁽²⁾
Brightness (typical)	• 300 cd/m ²
Color Gamut	• 95% sRGB
Color Support	• Up to 16.7 million colors supported through FRC technology
Pixel Pitch	• 0.3114 mm • 82 DPI
Response Time (typical)	• 8 ms GtG (with overdrive)
Signal Input Connectors	• 1 VGA • 1 HDMI 1.4 • 1 MHL 2.0/HDMI 1.4 ⁽⁹⁾ • HDCP support
Audio	• DTS Audio with headphone jack
Power Supply	• External Power Supply 100 - 240 VAC 50/60 Hz
Maximum Power Consumption	• 65W
