

HP NFC/Wireless 1200w Mobile Print Accessory

Simplify wireless printing

Easily add wireless direct printing and touch-to-print technology to your HP printer or MFP—and enable the entire office to print from smartphones, tablets, and notebook computers.^{1,2,3}

Just go and print

The HP 1200w Mobile Print Accessory plugs into a USB port on supported HP devices, enabling both wireless direct printing and touch-to-print.

- Make wireless printing easy for everyone in the office. With wireless direct printing, simply connect your mobile device to a printer or MFP in the same way you would discover and connect to a public wireless network.
- Walk up and print from your NFC-print enabled smartphone or tablet with just a touch. NFC, or near field communication, automatically discovers the printer for you, eliminating the guesswork and creating a one-to-one connection using wireless technology.
- Get up and running fast with easy USB installation.
- Keep your network out of it. Both wireless direct and touch-to-print technologies use a peer-to-peer connection, allowing mobile users to print without accessing the company network.
- Safeguard your business information. Print files are sent using 128-bit encryption.
- Stay in control. When you enable a pass phrase through the HP Embedded Web Server, you're in charge of who can use your printer.

Easily print from mobile devices

HP has been working closely with leading manufacturers of mobile devices to integrate printing into popular operating systems. In fact, HP is the only print vendor developing embedded print functionality for Apple iOS, Samsung Android, and Windows® 8, which means in most cases, you won't have to download an app.

For mobile devices without built-in print support, printing is just as simple, but users will first need to download the HP ePrint app⁴ or HP ePrint software.⁵

Wireless direct printing

Touch-to-print

Product specifications

Part number	E5K46A
Connectivity	USB 2.0 type A (host) and type B (device), wireless direct, NFC touch-to-print
Supported printers and MFPs	HP Color LaserJet Printer series: Pro M251, Pro M451, CP1025, CP1215, CP1515, CP1525, CP2025; HP Mono LaserJet Printer series: Pro M401, P1000, P1102, P1566, P1606dn, P2035, P2055; HP Color Multifunction LaserJet Printer series: Pro 100 MFP, Pro M175 MFP, Pro M176n MFP, Pro M177fw MFP, Pro M276 MFP, Pro M475 MFP, CM1312 MFP, CM1415 MFP, CM2320 MFP; HP Mono Multifunction LaserJet Printer series: Pro M425 MFP, M1120 MFP, M1132 MFP, M1212 MFP, M1319 MFP, M1522 MFP, M1536dnf MFP; HP Officejet Printer series: 100 Mobile printer, 150 Mobile All-in-One printer
Wireless technology	Wi-Fi 802.11b/g/n 2.4GHz; wireless direct range up to 50 ft (15 m)
Supported operating systems	Android 2.3.3 – 2.3.7, 3.2, 4.0.3, 4.0.4, 4.1.x, 4.2.x, 4.3; iOS 4.2 or later (Apple); Windows Vista®, Windows Vista x64, Windows 7, Windows 7 x64, Windows 8, Windows 8 x64
Supported applications	Apple AirPrint™, HP ePrint App v2.3 for Android, HP ePrint App v5.3 for iOS, HP ePrint Mobile driver v4.6 for Windows
Security	Supports WPA-2 security with customer selected passphrase
Management	HP Embedded Web Server (supported browsers: Internet Explorer 6.0 or higher; Mozilla 2.x or higher; Firefox 2.x or higher; Safari; Chrome)
Other features	IPP, print job buffering, network upgradeable firmware (via flash memory)
Memory	128 MB RAM
Dimensions	2.67 x 4.38 x 1.08 in (67.5 x 111.2 x 27.5 mm)
Weight	0.17 lb (0.08 kg)
What's in the box	HP NFC/Wireless 1200w Mobile Print Accessory, power adapter, power adapter plug, USB cable, Install Guide
Warranty	One-year, limited warranty, product exchange
Environmental ranges	Recommended temperature: 32 to 104° F (0 to 40° C); Operating: 32 to 113° F (0 to 45° C); Storage: -40 to 149° F (-40 to 70° C) Humidity (operating and storage): 15 to 95% RH
Power	Power supply type: External universal power adapter Input voltage: 100 to 240 VAC (+/- 10%), 50/60 Hz (+/- 3 Hz) Power consumption: 2.5 Watts maximum
Standards and certifications	Regulatory model number: RSVLD-1302 Environmental: Device is compliant with BFR/PVC free environmental standards Safety: IEC60950-compliant; safety UL listed; EU LVD and EN 60950 compliant; certified by Canada CSA; Mexico NOM-1-NYCE; Singapore PSB; China CCIB, Japan Electromagnetic Emission: FCC CFR 47 Part 15 Class-B/ ICES-003 Issue 5, EN 301 489-17, EN55022, EN 55024, EN 61000-3-2, EN 61000-3-3 Telecom Compliance: FCC 15.247, EN 300-328, RSS210

Notes

¹ HP 1200w Mobile Print Accessory works with HP Officejet 100/150 Mobile printers and most HP LaserJet printers and multifunction products (MFPs) introduced in 2008 or later that are equipped with a USB port.

² For wireless direct printing, mobile device may require an app or print software. Wireless performance is dependent on physical environment and distance from the printer. Please note that while your mobile device is directly connected to the printer, access to content that requires Internet support (such as web pages or documents stored in the cloud) may not be supported while in HP wireless direct mode.

³ For touch-to-print capability, mobile device must support NFC-enabled printing. For a list of supported devices, see hp.com/go/businessmobileprinting.

⁴ The HP ePrint application is available as a free download at Google Play and iTunes App Store.

⁵ HP ePrint software is available as a free download at hp.com/go/eprintsoftware.
