

# HP EliteDisplay S270c 27-in Curved Display

Show off your PC and mobile device content in a remarkable new way with the HP Elite Display S270c Curved Monitor, HP's first curved commercial display—27 diagonal inches of an elegant, immersive visual experience with enhanced peripheral readability.

## Expand your view.

- Enhance your visual perception with a 1920 x 1080 Full HD<sup>1</sup> curved screen that increases your field of vision vs. a flat 16:9 FHD display of the same size.

## Deliver glamorous presentation from every device.

- Instantly mirror your smart phone or tablet content to the super-sized screen through an easy MHL connection that also keeps your devices charged and ready to go.<sup>2</sup>

## Get all the sights and sounds.

- Make the most of your media with an expansive visual experience from wide viewing angles, and enjoy immersive quad-speaker DTS Audio that provides a more natural audio experience with maximized bass response.
- Set the bar for stylish performance with a sleek, modern black-and-silver color palette, thin design, and stellar front of screen from 82 ppi and 98% sRGB color gamut, plus low reflection and distortion for consistent imagery across the screen.
- Design the screen for how you work with HP Display Assistant software.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard warranties, select optional HP Care Pack Services.<sup>3</sup>
- Reduce power consumption and help lower costs with an intelligent, energy-efficient design that is ENERGY STAR® and TCO qualified, EPEAT® Silver registered.<sup>4</sup> Includes mercury-free display backlights, low halogen,<sup>5</sup> and arsenic-free display glass.
