

HP ElitePad Expansion Jacket

- Quickly and easily store, share, and transfer files with the integrated micro SD reader. The sleek design snaps onto the HP ElitePad without inhibiting its mobility. Rest easy with the one-year HP limited warranty.
- To extend battery life up to 20 hours¹ and keep working without recharging, snap an HP ElitePad Jacket Battery (sold separately) into the jacket before you insert the HP ElitePad. Note: Screwdriver (not included) required to secure battery.
- Pass-through stereo sound on the jacket supports the HP ElitePad audio features so you can keep listening, while cutouts allow you to quickly dock in the HP ElitePad Docking Station (sold separately) for even greater expansion and connectivity.
- Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage.
